Dear Families,

IT’S A GIRL!

Congratulations to Mrs. Hamer and her husband Bucky on the safe arrival of their first child, a baby girl named Frankie. We wish them all the very best as they begin this exciting chapter of their lives. We have our fingers crossed for a visit in the upcoming weeks.

Welcome Jade Bedford, a fourth year student from Latrobe University who will be teaching and learning in Mrs. Wilson’s grade for the next four weeks.

The Parent Opinion Survey as part of the DEECD accountability was sent home yesterday to a random sample of parents selected using a computer generated process to fill in. The survey is anonymous, and I encourage you strongly to fill it in and return it if you are selected. Each student from the families selected will receive a treat when the completed survey is returned to the office. The data from the parent surveys helps us to understand your view of the school. What you love about San Remo Primary School and what you might like to improve. Of course I’m happy to hear your opinions any time.

The South Gippsland Principal Network has been successful in applying for a grant to support building resilience in students. We were the only successful network in the state. This will support our Kids Matter program and will be available to each student and their family in the Bass Coast Shire from prep to year 12.

The secret ninja (Steve) has returned! Fixing the damaged platform in the undercover playground overnight. Thanks on behalf of the many students who enjoy playing on this equipment.

Student led interviews were a great success last Thursday evening. If you were unable to attend then please contact staff or the office to make an alternative time. I know students are very keen to share with families their body of learning thus far.

Head lice - Follow up checks will occur over the next week to eradicate head lice form SRPS. All families will need to check their children’s hair on a regular basis to control this whole school problem. If live lice are seen in your son or daughters hair then parents will be called immediately to pick up their child or children to limit others from becoming infested.

From today staff will commence implementing part of San Remo Primary Schools Behaviour Management policy. Yesterday at the whole school assembly each grade needed to practise entering the Rec Centre in an

FUNDRAISING MEETING  Wednesday 29th July

There will be a fundraising meeting in the staffroom at 2:30pm tomorrow afternoon. This meeting will be to discuss the BBQ we are holding during the District Basketball on this Friday 31st July and the following Friday 7th August. Everyone welcome.

DISTRICT BASKETBALL BBQ  -  HELP NEEDED

The Parent’s Club will be running a BBQ fundraiser during the District Basketball championships to be held at San Remo PS this Friday 31st July and on Friday 7th August. The stalls will run from 10am-2pm. We need helpers for running the BBQ as well as the drinks and slices stall. We also need donations of homemade slices eg: mars bar slice, lemon slice, muffins, anzac biscuits etc.

orderly and safe manner! Today teachers will share with students the expected behaviour for entering and exiting classrooms in a safe, quiet and orderly manner.

The Coastal Ambassadors (Jess, Kaylee, Billie and Zach) have been meeting weekly with me to try and organise new ‘Ibis proof’ bins for the school. Yesterday they placed a phone call to Bass Coast Shire and were successful in receiving 3 recycle bins to replace the old, broken bins. Well done Coastal Ambassadors.

This Friday is the grade 5/6 basketball tournament and we are desperately seeking some helpers for the bbq that the PFA operate for the schools involved. We also require some slices or biscuits to sell on the day. If you could support this event by volunteering an hour of your time or a slice or biscuit it would be greatly appreciated. The money raised will be used towards student resources. I have heard a whisper that a 2 bar piece of playground equipment is on the students wish list.

RESULTS OF SCHOOL CAPTAIN STUDENT SURVEY
Our School Captains have surveyed all the students as to what they would like to see happening at San Remo Primary and here are the results:

Replace the set of 2 bar monkey bars that were removed when the shed was erected
Table tennis table
Maintenance to the cubby house
More down balls
Whole school cricket game
Clubs
Organised games outside
Obstacle/exercise course
Wheels Day

These are the top nine suggestions that students made and the money raised from the BBQ for the next 2 Fridays could go towards funding some of these projects.

Well done, Finn, Jake Nikki and Shioni

Asbestos

As part of the Department of Education and Early Childhood Development’s Health and Safety Management Plan, new labelling will be installed at our school. The labels remind people to contact school reception prior to undertaking any works at the school, to ensure they have up-to-date information from the school’s asbestos register. Asbestos - which was used extensively in building materials in the past but is now banned - is considered safe unless damaged or in poor condition. The new labels form part of a comprehensive program to ensure Victorian government schools remain safe.

Children’s safety is our number one priority. That is why we are taking this extra step as a precaution.

For Sale - Big Shed

We are looking for anyone interested in purchasing our BIG SHED. 9m x 14.4m x 3m high $8500. Buyer to dismantle and remove. Please see Sharyne for further details.

Parking

A reminder/warning that the local by-laws officers will be making periodic checks on the parking around the fringe of our school. Please note that parking is restricted along Thomas Grove and you are not permitted to park on the grass area behind the Rec centre and Bowling Club. Please remember our preferred parking for student drop off is at the top of Wynne Ave in the Rec Centre car park.

Please do NOT park in the staff car park.
