Dear Families,

Last Friday San Remo Primary School was THE place to be!

We had our magnificent grade 5/6 boys and girls demonstrate outstanding sportsmanship and good will at the basketball tournament we hosted. I was very proud of not only the outstanding behaviour of our basketballers but all the students of San Remo Primary School when they came out at recess and lunchtime. You were all brilliant. Therefore today at lunchtime ALL students were rewarded with an extra 15 minutes for their lunch time. It was well earned.

Next we had the amazing parents who delivered cakes and slices to sell at the BBQ. We had so many marvelous mums cooking sausages and slices to the masses. Thank you all. It was a beautiful sunny day and we raised $465.00 (less expenses) to go towards purchasing the student surveyed items listed in last weeks newsletter. This Friday once again we will operate the BBQ for the grade 3/4 student basketball tournament but we will open it up for all students to buy a sausage in bread for $2.50 and some delicious home made cakes and slices. So yes we need parents to bake and drop off cakes and slices again this week. I will be making rum balls.

Yesterday the student lead assembly was well attended by our parent body. Mr Chambers and the recorder band entertained us whilst the School Captains got organised. Well done girls in the recorder band you played beautifully. If only we could coax a couple of boys to join! I cannot speak highly enough of Mr Chambers and the great job he does with all our students. Preparations are well underway for the school production: Swinging Summertime. I can’t wait for the performances.

One of our mums is on a mission to support our headlice eradication program. She is organising an expert to visit the school to help parents rid their child of the pests. An expression of interest for parents to sign and return to school will be sent home as details come to hand.

The Coastal Ambassadors are very keen to sell 200 numbered yellow ducks again. The students will set up each morning in the undercover area and especially on Friday at the grade 3/4 basketball tournament. So if you would like to win $250.00 cash then you need to purchase a numbered duck between 1-200.

Don’t forget to bring some money for the sausage sizzle and cake stall on Friday. This is open to all students to enjoy. Lunch orders can still be placed as normal.
