Dear Families,

Yesterydays dress rehearsal was a great success. It was great to have the kinder kids there and they were in awe of the stage, colour, lights, sound, props and our talented students. It is great to see everything coming together. I hope everyone has their tickets for tonight and tomorrow night. Don’t forget to bring some loose change to buy some raffle tickets. There are lots of great prizes on offer due to the hard work of the PFA.

Break a leg!

The Father’s Day stall last Thursday had a huge assortment of gifts for the students to buy. Many thanks to the dedicated team of mums who wrapped the presents on the Wednesday in preparation for the stall the next day. I love having a chat with the mums, or making them a coffee on these afternoons as they volunteer their time. Thanks ladies you are awesome!

I hope all the dads had a great Father’s Day and were pleasantly surprised by the love and thought their children went to. And those lucky enough to be considered an honorary dad such as an uncle, grandparent or friend I hope you enjoyed your day as well. I know I always wish my brother in law a happy Father’s Day due to the love and support he has given to me and my sons over the years.

Mrs Gifford will be the Acting Principal for the rest of term from this Wednesday 9th September whilst I am on long service leave. I will be back next term so I would like to wish all our students and their families a very happy and safe holiday. To the wonderful staff and their families make sure you have an exceptional break you have earned it! The Production has taken up an enormous amount of time and energy BUT we all know that seeing all the kids on stage smiling, singing and dancing is one of the many rewards of becoming teachers. I can’t thank you all enough for the extra time you have given to make the play the enormous success it will be thanks to your extra efforts beyond the classroom. What a wonderful team you are to work with.

I give you all a HUGE "WHOOOOOOSH!" 😊

The year is going very quickly but it has been a wonderful experience so far. I look forward to catching up with everyone in term 4.

In the last week Mrs Gifford will also be announcing the class with the least amount of absences in term three and this will also include any students from the rest of the school that hasn’t had any days off this term and of course the hot chips!
