2016

SHARYNE'S SNIPPITS

Dear Families,
Welcome back!

The start of each term is always special. Catching up with the students and how much they have grown in the holidays is always a pleasant surprise. Another pleasant surprise was the arrival of three new students to our family. Welcome Lalita, Bella and Brodie and their respective families. Once again the students welcomed each of the students warmly by either playing in the sand pit, playing footy, explaining about being a princess for the day or talking to them.

As I walked through the classrooms and playground catching up with students, parents and staff it was lovely to see the happy smiling faces of everyone sincerely greeting each other smiling and laughing this is what makes San Remo Primary School special!

Today we had Marcelle, Charlie, Syon and Tess leave for Somers Camp. We wish them all the best at camp and look forward to their return in 10 days. Yesterday Marcelle and Charlie were fabulous leading our first assembly for term 2.

Next Monday's assembly will start at 2:45pm sharp. With the 100th year Memorial of ANZAC Day quickly approaching we have the local Vietnam Veterans visiting to talk to the students. We would love to see as many families as possible at this early and very special assembly.

Thought of the Week:

Apart from love (and chocolate), what do you need to keep yourself happy and fulfilled?"

The thought of the day was inspired by Chantelle, Lacey's mum.

Thank you Chantelle for your delicious edible bouquet (that I tried to pass off as my creation to the staff yesterday at recess).

The "flowers" were scrumptious to have with our coffee. These will make a lovely gift for the upcoming Mother's Day stall for students to purchase.

Regards Sharyne
