Dear Families,

I hope you all enjoyed the Queen's Birthday holiday yesterday. Miss Bowker was at the Trooping of the Guard and waved to the Queen as she enjoys her Long Service Leave in the United Kingdom.

Breakfast Club Café this morning was HUGE! The children came into the café and had lots of smiles on their faces. The scrambled eggs on muffins were a winning start to the day.

Thanks to Sancha and the parents who stayed and helped feed the masses. Our student leaders are also helping in many ways. Next Tuesday will be the last breakfast for term two. We hope to see you there.

Last Wednesday we had an Open Day for potential student enrolments. There were four lovely families that toured the school. It is always an honour to show parents around San Remo Primary School.

I chaired my last School Council meeting last Tuesday night at San Remo Primary School. As usual we had lots of laughs as we discussed the business of the school.

We also had tears due to the beautiful letter that School Council President, Steve Kelly wrote on behalf of the School Council and parents. Then I shared a letter for School Council thanking them for permitting me to become part of such a great community.

**SEMESTER ONE REPORTS 2016:**

On Tuesday 21st June all students at school will bring home their families username, password and the website address for families to access their child or children’s report online. We have a computer set up in the staffroom for families to access their child or children’s reports who cannot at home.

Families please note reports will not be printed off this semester.

**THOUGHT OF THE WEEK:**

The most certain way to succeed is to just try one more time.

LIFE EDUCATION

The Life Education program will be held next week on Monday 20th and Tuesday 21st June. There are still some outstanding permission forms and payments. Please return them to the school office ASAP. Prep -2 children will focus on people who help us; grade 3 and 4 will learn about body systems eg, the digestive and respiratory systems and 5/5 will learn about being cyber safe.

END TERM 2

Friday 24th June is the last day of term 2. There is an early dismissal time of 2:30pm.

NO STANDING ZONE

Please do NOT stop or park in the No Standing Zone in Thomas Grove. A Bylaws officer from the Bass Coast Shire has been patrolling the No Standing zones around our school. He has had to warn a few parents that continue to drop off their children by parking illegally. Please note that fines will be issued in future. Please remember our safest and preferred parking area for student drop off or pick up is at the top of Wynne Ave in front of the Recreation Centre.

Please do NOT park in or walk through the staff car park to drop off or pick up your child.

There are still some parents walking their child/ren through the staff carpark. This is a huge safety issue with not just staff arriving and leaving the car park but also with delivery trucks etc using the area.
