2016

### SHARYNE'S SNIPPITS

To the San Remo Primary School community,

I have decided to write you a thank you letter for the wonderful 18 months I have spent at San Remo Primary School. I feel very fortunate to have lead this very special community. I have had a fabulous time at San Remo Primary School. I will look back on my time as a great opportunity to meet and work alongside fabulous teachers, great kids and lovely parents. It was very easy to become strongly connected to a school that embraced me so warmly.

To the students who have embraced my craziness I hope I have made school a safe and positive place for you to come each day. You are all unique and special in your own way which makes you all adorable. I will hold a special place in my heart for each and every one of you who I learnt something from each day.

One thing you need to know about the great devoted staff I got to work with each day is the time, energy and dedication that each one gives to not only every child in their class but each and every student in the school. The team work and support they gave me and give each other makes them an incredibly dedicated team. San Remo Primary School is very fortunate to have such professional, hardworking teaching staff and education support staff.

I would especially like to thank the School Council members and parents whom I worked alongside on the Channel Challenge, Bunnings BBQ, The Breakfast Club Café, Thursday Soup Day and the Just for Parents Group. All of these programs support our students and could not be done without parent involvement to build a strong relationship between home and school.

I hope I enriched San Remo Primary School as you enriched my leadership and my heart. I know I have made strong connections with you all and hope to keep in touch.

I wish only the best for San Remo Primary School for the future and for giving me this wonderful opportunity.

With much affection and appreciation,

*Regards Sharyne*

### CONGRATULATIONS

Highlighting the talents of our wonderful students. On Saturday I went to watch Nate and Romeo compete in a skate board competition held at Camberwell skate park. Both Nate and Romeo skated so well they were amazing. Nate ended up winning first place on the day and took out the overall series. I love seeing the various things that our students participate in. Mitch and Perry and their mum and dad came to cheer the boys along too. Congratulations guys awesome job.
