KAREN'S CATCH UP

Dear Parents,

I would like to welcome back Tracey Wilson and Ian Chambers from Long Service Leave this week and thank Sarah Taylor and Chris Jobe for a wonderful job they did whilst they were away.

Bentleigh Secondary College Band visited us on Monday and played to the whole school as well as quizzing the children on their instruments, the sounds they make and what their role is in the band. Not only did the children have a wonderful time listening to the songs they played but also had an opportunity to share their knowledge or learn something new.

Have a great week, Karen

COMMUNITY CONNECTIONS

Do YOU have a skill you could teach our children? Are you available on Wednesdays from 2:30-3:30pm to run/help run an activity with a small group of students?

We are hoping to again offer all grade 3 and 4 the chance to participate in Community Connections. Community Connections was initiated to provide students with the opportunity to undertake different activities with the assistance of various community groups. In order to run this fabulous program we need the assistance of parents, guardians and community members.

In previous years we have run activities such as cooking, art/craft, gardening, fishing, woodwork, fitness, photography and more. If you would like to take part in this fabulous program please contact the school as soon as possible so we can organize groups.

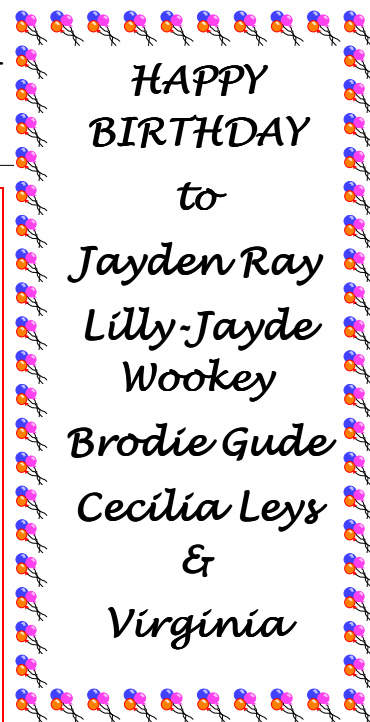

CONGRATULATIONS

Recently Nate Axford participated in championships for Skateboarding. Nate from grade 5 is ranked 39 in the Under 16s Australian Bowl Riding Rankings with the Australian Skateboarding Federation. Well done Nate. We are all so proud of your achievements.
